**Re: Mandatory Carriage Election
KLPA-TV, Alexandria DMA**

Dear Mr. Ward:

We received KLPA-TV's letter, postmarked May 28, 2009, electing mandatory carriage. DISH Network accepts your election and looks forward to carrying KLPA-TV per federal must carry regulations upon the launch of local into local service in the Alexandria DMA.

DISH Network will carry KLPA-TV's signal during the current election cycle ending on December 31, 2011 so long as the station does not substantially duplicate the programming of any other station within the market and complies with all federal must carry regulations, including the delivery of a good quality signal to the local receive facility.

DISH Network reserves the right to reject those stations that fail to deliver a good quality signal. Please contact Kip Wilcoxson, Engineering Manager, at our Cheyenne, WY Uplink facility at (307) 633-5483, should you anticipate signal delivery issues.

Sincerely,

A handwritten signature in black ink that reads "Stacey Conway".

**RE: REQUEST "RETRANSMISSION CONSENT" OR DESIGNATION OF
"MUST CARRY"**

Dear Sir:

In reviewing our files, it has come to my attention that we are not able to locate our "retransmission consent" of KLPA (PBS), Channel 13 and LPB KIDS, Channel 15 that we currently carry. If these agreements are still in place, please provide copies for our records.

If the agreements have expired or you do not have a record of them, please consider this letter as our intent to request a "retransmission consent" or a designation of "must carry" for each by your broadcast station.

If you have any questions or need to contact me, feel free to call at: 318-352-0014.

With kindest regards, I am

Sincerely,
