Re: Mandatory Carriage Election
KLTM-DT, Monroe-El Dorado DMA

Dear Mr. Graziano:

We received KLTM-DT's letter, postmarked December 2, 2010, electing mandatory carriage for the upcoming launch of local-into-local service for ATSC digital signals broadcast in ATSC high-definition ("HDTV") format pursuant to 47 U.S.C. §338 and the amended rules of 47 C.F.R. §76. DISH Network accepts your election and looks forward to continued carriage of KLTM-DT's HD signal in the Monroe-El Dorado DMA per federal must carry regulations on or before February 17, 2010.

DISH Network will carry KLTM-DT's HD signal so long as the station does not substantially duplicate the programming of any other station within the market and complies with all federal must carry regulations, including the delivery of a good quality signal to the local receive facility.

DISH Network reserves the right to reject those stations that fail to deliver a good quality signal. Please contact Kip Wilcoxson, Engineering Manager, at our Cheyenne, WY Uplink facility at (307) 633-5483, should you anticipate signal delivery issues.

Sincerely,

A handwritten signature in black ink, appearing to read "Erin E. Rider". The signature is written over the word "Sincerely," and extends to the right.

Re: KLTM-TV (DMA: Monroe, LA-El Dorado, AR)

Dear Beth Courtney:

This letter shall serve as notice to KLTM-TV of DIRECTV's intent to provide local into local service in the Monroe, LA-El Dorado, AR designated market area ("DMA") in accordance with Section 338 of the Communications Act of 1934 and the Federal Communications Commission's Rules.

The local receive facility in the Monroe, LA-El Dorado, AR DMA is located at: 1400 Oliver Road, Monroe, LA 71201.

We are required to inform you that (1) you have the right to elect mandatory carriage or retransmission consent with respect to the remainder of the three-year "election cycle" ending on December 31, 2011; (2) you have thirty days from the date you receive this notice to make such election; and (3) failure to make such election will result in your loss of the right to demand mandatory carriage for the remainder of this three-year cycle.

We note, however, that Louisiana ETV Authority has already entered into a Digital Carriage Agreement (the "Agreement") with DIRECTV. Please be advised that KLTM-TV will be launched in the DMA in accordance with the terms of the Agreement.

If you have any business-related questions regarding this matter, please contact Dallia Kim at dhkim@directv.com or 310-964-2123, or write to DIRECTV Local into Local, 2230 E. Imperial Highway, Mail Stop N344, El Segundo, CA 90245. Please address all technical questions to locals-technical@directv.com.

Sincerely,

Dear General Manager:

By this letter DISH Network L.L.C. ("DISH Network") provides notice of its intent to commence local-into-local service for ATSC digital signals that are broadcast in ATSC high-definition ("HDTV") format pursuant to 47 U.S.C. §338 and the amended rules of 47 C.F.R. §76.66, in the Monroe, LA DMA on or before February 17, 2011.

The location of DISH Network's local receive facility for the collection of HDTV signals in the Monroe, LA DMA is:

Vantage/ONB Tower
130 Desiard Street
Monroe, LA 71201

This letter shall also provide notice that your station is entitled to carriage of its HDTV signal as of February 17, 2011 and has the right to elect mandatory carriage or grant retransmission consent pursuant to applicable federal laws, rules and regulations and that your station must make such election no later than thirty days from the date of receipt of this letter for its signal that originates as an HDTV signal. Failure to make such election will result in the loss of the right to demand carriage for your station's HDTV signal for the remainder of the current three-year carriage cycle.

Please feel free to contact me at Erin.Rider@dishnetwork.com should you have any questions. If you have engineering or signal delivery questions, please contact Kip Wilcoxson at kip.wilcoxson@echostar.com or (307) 633-5483.

Sincerely,

**APPENDIX: MINIMUM ENGINEERING AND TECHNICAL PARAMETERS
FOR CARRIAGE OF HIGH DEFINITION DIGITAL SIGNALS**

1. Your HDTV Channel should be delivered immediately (and no later than January 1, 2011) to DISH Network's Local Receive Facility to prepare for retransmission. DISH Network requires a good quality signal to commence carriage on February 17, 2011.
2. No later than January 1, 2011, please provide Kip Wilcoxson (kip.wilcoxson@echostar.com) with the OTA broadcast channel (channel number or frequency), transmitter physical location, broadcast ERP, as well as the audio and video PID assignments for the qualified HDTV Channel for which you will seek carriage. You must also provide a description of the content of the HDTV Channel as well as the format information (e.g., 1080i or 720p).
3. All HDTV Channels shall be subject to the federal requirements that prohibit substantial duplication of programming.
4. All HDTV Channels must comply with any and all federal, local and state EAS requirements and other requirements as set forth under relevant laws, rules and regulations.
5. All HDTV Channels must also comply with closed-captioning requirements, and closed captioning information shall be delivered to DISH Network in native 708 format.
6. Definitions:
 - a. A Programming Feed is the video and audio transmitted simultaneously as a single "channel" of programming.
 - b. The "HDTV Channel" shall mean the single Programming Feed contained in a Station's ATSC digital signal, broadcast with content on a 24X7 basis in ATSC high-definition ("HDTV") format and is designated by the Station as its "primary channel" consistent with FCC requirements. Each broadcaster is permitted only one HDTV Channel.
