**Re: Mandatory Carriage Election
WLPB-TV, Baton Rouge DMA**

Dear Mr. Ward:

We received WLPB-TV's letter, postmarked September 10, 2008, electing mandatory carriage. DISH Network accepts your election and looks forward to carrying WLPB-TV during the upcoming cycle commencing on January 1, 2009 and ending on December 31, 2011.

DISH Network will carry WLPB-TV so long as the station does not substantially duplicate the programming of any other station within the market and complies with all federal must carry regulations, including the delivery of a good quality signal to the local receive facility.

DISH Network reserves the right to reject those stations that fail to deliver a good quality signal. Please contact Kip Wilcoxson, Engineering Manager, at (307) 633-5483 or Kip.Wilcoxson@EchoStar.com should you anticipate signal delivery issues or have any questions about the minimum technical standards.

Sincerely,

A handwritten signature in black ink that reads "Stacey Conway". The signature is written in a cursive style.

RE: Carriage of Station on Charter Communications'
Cable System Serving Bogalusa, LA

Dear General Manager:

This letter will serve as notice to television station WLPB, Channel 10 that as of December 12, 2008, Station will be removed from the channel lineup(s) on the Charter system serving Bogalusa. These communities are outside of Station's television market of license, the Station is not "significantly viewed" or otherwise deemed to be "local" and the continued carriage of Station in these locations has caused a material increase in Charter's copyright expenses.

The aforementioned changes will not otherwise impact Station's continued carriage on any other Charter system(s).

Charter appreciates your understanding in this matter and looks forward to continuing our positive relationship and the continued carriage of the Station on the other Charter cable lineups. If you have any questions please do not hesitate to contact me direct at 866-601-5291

Most Sincerely,

A handwritten signature in black ink that reads 'Nick Pavlis'.
